CAUSE

On April 8, 2005, Mr. Dunn has been released from prison after serving more than 11 years imprisonment. Mr. Dunn requests mental health counseling to assist in assimilation back into the community. This is common for individuals who have been institutionalized for as long as Mr. Dunn has been.

Prob 12B

Mr. Dunn has also requested permission to associate with another felon who was recently released to supervision, Michelle Shorthouse. Mr. Dunn and Ms. Shorthouse's request to associate has been denied by probation until they have satisfactorily established themselves in the community for a 6-month period of time. The mental health counseling may further assist Mr. Dunn with this concern.
